Action taken: returned, retained, recorded or reported.

Photographs

Follow-up

Items needing identification	
Potentially reportable discoveries	
Proposed next visit	
Notes for landowner	

Why this builds trust

Sending a short, honest report after a visit shows the landowner exactly what you found and did. It is one of the simplest ways to build a lasting, trusting permission.

This resource is provided for general information and personal record-keeping. Rules, official guidance and access arrangements can change. Check the current requirements for the place where you intend to detect.
