

JOURNALS & LOGBOOKS · FREE RESOURCE

Printable Finds Logbook

Record every find in detail: where, when and how you found it, with photos, measurements, settings and identification notes.

What's inside

- ☆ A full single-find record sheet you can reprint
- 📷 Prompts for photos, measurements and settings
- 📍 Private site codes to protect exact findspots
- 📄 A quick-log table for a whole day's finds

**Written by
detectorists**

**Checked against
UK guidance**

**Free to print and
keep**

📝 NOTES		

This resource is provided for general information and personal record-keeping. Keep accurate private records, but do not publish exact findspots publicly. Sensitive locations can be targeted by others.

Use this compact sheet to log finds quickly in the field, then write up the important ones on a full record sheet later.
